Changing the Size of Text in Your Browser

If you find the font size on your screen to be too small, this document shows you how to change the view in your browser to make text appear larger.

Google Chrome:

- 1. First, click the three vertically aligned dots at the upper right of your screen. This will bring up a pop-up dialog box.
- In the dialog box, you may now make the view larger or smaller by clicking on the plus (+) or minus (-) signs in the "Zoom" section in the middle of the box.
